

# 4th Grade Vocabulary Word List

This fourth grade vocabulary list was built from an analysis of difficult words that appear in basal readers and other books commonly taught in the 4th grade. Those words were then analyzed to see how often they appeared on English Language Arts state tests given in the fourth, fifth and sixth grades. This vocabulary word list is free and printable, but is also available through our systematic vocabulary development program, The Word Up Project, which has been proven to [raise scores](#).
